Hello everyone,

We hope you all had a fantastic winter break! With the month of March quickly approaching it's time to form our Pharmacist Awareness Month (PAM) 2016 organizational committee! PAM 2016 will take place throughout the month of March. This year, we will focus on the expansion of pharmacy practice and the pharmacists' role on an interprofessional team. This is a great chance for students to get involved with the faculty, as well as meet industry professionals and fellow students. Furthermore, PAM 2016 will provide you with the opportunity to share your knowledge and passion for our profession with the public.

The PAM 2016 organizing committee is looking for two (2) Volunteer Coordinators to create and circulate sign-up sheets, make class announcements for volunteering opportunities, as well as communicate with and train volunteers in close coordination with the PAM council.

The PAM 2016 organizing committee is looking for two (2) Showcase Coordinators to book equipment and arrange for transport to and from the venue (the NEST), schedule performers and host the showcase.

If interested, please email Stephanie and Elaine at ubcpam@gmail.com no later than Friday, January 22nd, 2016 at 11:59pm. In your application, please include a brief (no longer than 500 words) statement as to why you would make a great addition to our team, along with your resume. To make sure there are no formatting issues with your application, consider saving your documents in .pdf format.

If you do not wish to take on a volunteer or showcase coordinator position but still want to get involved, we are always looking for volunteers! If you would like to sign up to be a volunteer, you can also email ubcpam@gmail.com and we'll provide you with further details at a later date. You do not need to provide a resume or statement for a volunteer position.

Regards,

Elaine Chang (PhUS Vice President PR) and Stephanie Song (CAPSI Senior Rep)

PAM 2016 Co-Chairs
