>> 5. Volunteer Opportunity for STEM Mentoring Cafe

See the attached flyer for details a wonderful event happening right here in the pharmacy building in May! If you are around during the summer month, we highly encourage you to act as ambassadors for our faculty in facilitating the learning of elementary school students.

The duties include:

- Acting as prompters at the different tables
- Keeping track of time and ensure rotations occur on schedule
- Directing people to the correct room once they enter the building
- Keeping an eye on things to make sure kids don't leave the general area

We are also looking for people willing to help with photography and a person to help with social media (live tweeting, blog update, etc.). If there are pharmacy students that do this as a hobby, we could definitely make use of their talents.

Interested individuals can reach the coordinator at this email - vancouverwes@gmail.com

>> 6. Shoppers Drug Mart Pharmacy Conference Contest

Every year Shoppers Drug Mart holds a conference for our Staff Pharmacists focused on professional development and continuing education. This year we are holding a contest and will be selecting 3 Pharmacy Students from each school in Western Canada to attend as well. Winners will receive transportation and accommodation, attend the gala event, exhibitors hall and CE sessions, and a special session for students to meet with SDM leadership.

To enter the contest, please submit a 2 minute video telling us how they will bring their passion for pharmacy to patients. 3 students will be selected from each school, all years can enter.

More details are available on the attachment below. Please email Dayna at daychambers@shoppersdrugmart.ca for any questions.
