#### Standing Business:

#### Discussions:

##### 1. PhUS Website – Gordon

- Visit [gordonling.com](http://gordonling.com) to view the rough draft
- Working on graphics
- Calendar on the website is linked to the interclub calendar

##### 2. PhUS 2015-2016 Budget – Brad

- VP Social, Internal, Sponsorship and Sports representatives need to write submissions explaining what plans would be for next year (2015-2016) on an Excel sheet and send it to Brad
- Considering increasing the budget for year events
- Significant sum of static money was generated this year
- Look into putting surplus into endowment funding

### 3. Use of Space in the Faculty

- Interviewers usually come into the building prior to janitorial staff is able to clean up rooms
- Some counsellors don't see very much garbage and clutter in the study spaces
  - Not fair for students who study here if study rooms were restricted for everyone
- Can suggest to suspend rooms for a week if students continue to misuse rooms
  - Take initiative to respond to misbehaviour
- Consider the following options to remind students to better respect our study spaces:
  - Posters in the study rooms
  - Cleaning supplies in the room
- Is there a record of complaints to show how many complaints are being received, who are making these complaints?
  - Would be useful to know how many complaints are received vs how many students are using the rooms
