

Travel and Conference Fund (TCF) Application

Purpose

PhUS believes in financially supporting students to pursue opportunities that benefit the applicant in their growth as a future pharmacist and to promote and represent the profession of pharmacy. The fund is dedicated to assisting individuals who express financial need to attend conferences, seminars, or other events that include travel.

Please note: Funds will be utilized with the non-binding, guiding principles that no more than 50% of the fund be spent in a single semester and that this fund be allocated in a way that maximizes the benefits for all PhUS members, including each pharmacy year and/or class, and club.

Criteria

A student may apply for the Travel and Conference Fund more than once per semester, however they may only be awarded once per semester. All applicants must be UBC students and a PhUS member in good standing at the time of the application, and during the period of travel/event. Applications must be received by PhUS council by the selection deadline. The amount of the awarded subsidy is set at \$100 to equitably maximize the number of proposals funded.

Students should make their best possible effort to exhaust all other sources of funding, including but not limited to the faculty's professional development fund.

Funding is provided under a reimbursement model in that applicants must keep all receipts related to their expenses. All receipts will be reviewed and partial or no reimbursement may result if the expenditure cannot be justified.
