### **Approval of Minutes**

Moved: John; Seconded: Tom

Be it resolved that PhUS council adopts the agenda for Oct. 15, 2018 as written.

Approved: All; Objections: None; Abstained:

#### **Discussions:**

- 1. First Year specific pharmacy merchandise John
  - a. John has contacted the grad reps separately (meeting on Wednesday)
    - i. Will be discussing on how to differentiate between the generic UBC Pharmacy hoodie vs 1<sup>st</sup> year UBC Pharmacy
  - b. Hoodie logo design already finished
  - c. PhUS money will not be used to subsidize this endeavor as hoodies will be marked up slightly to prevent potential deficits
    - i. Any potential profits will be used to add to the \$500 allocated for First Year events
- 2. Guidelines for PhUS Constitutions for Pharmacy Clubs Mimi
  - a. Coalition of Pharmacists Caring for Aging Canadians (CPCAC) is looking to increase student awareness about their organization in UBC
    - i. Q: Should we allow this professional association to promote within our program?
    - ii. A: There should be an application process to allow these type of future endeavors (we want to know how pharmacy students can benefit from these organizations)

- iii. A: However, we should also make sure not to exclude clubs from promoting to the student body
  - 1. Q: Can we arrange a luncheon/talk to educate students about their organization first?
- b. There is nothing in our Constitution that outlines how clubs can be constituted under PhUS
  - i. We should create some guidelines on how to integrate new clubs
    - 1. Mimi will draft up one to present by next week
- 3. Speaker Fees in Pharmacy Mimi
  - a. Whenever Pharmacy Clubs brings in a speaker from an organization to talk to students, the organization must pay a \$500 speaker fee (excluding the first 2 speakers they invite, which are free)
    - i. This is to help limit the increase in talks happening in the Pharmacy that causes a lot of conflicting schedules and waste of resources
    - ii. PhUS will take a certain % of the Speaker Fee
      - 1. Concerns: we should not be doing this as PhUS is not helping to organize the event (we are only helping to book rooms for talk)
  - b. However, we cannot completely stop asking for speaker fees, since most of PhUS sponsorship revenue comes from organizations paying us for speakers
    - i. If clubs are offering free talks, we may lose a lot of sponsorships
  - c. There is no description or documents related to this topic in Constitution
    - i. Since we are a new Council, we can try to draft up a new section in the Constitution
      - 1. Mimi will send the draft from last year before next meeting
- 4. Essential Evidence Plus (similar to UptoDate) Sam
  - a. www.essentialevidenceplus.com/
    - i. Username: UBC Pharmacy
    - ii. Password: ubcpharmacy
  - b. A more brief resource than UptoDate on conditions, but takes more effort to find details (around 1/5 the cost of UptoDate)
  - c. Trial subscription ends in 2 months
  - d. Try using the resource this week and be prepared to give feedback during next week's meeting
