Discussions:

1. Secretary

a. Recap: OETLD Meeting

- i. PhUS President (Parsa) and Secretary (Vanessa) had a meeting with JP Marchand (OETLD) to discuss future changes to remote learning and assessments
- ii. Currently there is a lag in response when students need troubleshooting during assessments due to lack of direction in who is appropriate to contact, and how problems are put in the proper channels for resolutions
- iii. OETLD will likely transition to using Microsoft Teams as a way for everyone to be on the same platform. This will make it easier for students and faculty to coordinate problem-solving.
- iv. A phone number will still be available in case of wifi or computer issues
- v. Students will be notified by OETLD once this is finalized
 1. This will be up to JP's discretion (e.g Canvas, email, IA, etc)

b. Piazza

- i. During the same OETLD meeting, JP has mentioned that Pharmacy will be phasing out Piazza by next year (2020-2021). The replacement platform is still to be decided.
