Discussions:

1. President

- a. Constitution Review Committee - AVP Academic
 - i. PhUS Constitution amendments to Article 5 (Individual Duties of Officers)
 1. Proposal: To have AVP Academic, rather than Year Reps, chair pipeline meetings in the absence of the VP Academic
- b. UBC Pharmacy Hub page
 - i. Standardizing what should be posted on the Pharmacy Hub group to avoid overlap with year-specific groups
 1. If events apply to the majority of students (e.g PY1-3), then the event information should be posted on the Hub to reduce spam
 2. If events apply to each year specifically (e.g Yearbook Club taking class pictures at individual times), then the event information can be posted on that year's group
 3. We will try to increase the number of current students in the Pharmacy Hub group so that they can continue to get updates on upcoming events
 - a. Students who are more active on the class pages are likely already in the Pharmacy Hub group, as currently we have 550 members and there are approx. 800 students in Pharmacy (keeping in mind PY4s are less likely to join the Hub group)
 - b. Year Reps will be posting an announcement in their year-specific group to remind students to join the Hub
 - c. VP Internal will send an Interclub email to remind them to post in the Hub
 - i. Creating a one-pager more official document would be beneficial for informing club leaders about the change as well
 4. Practicing pharmacists who post job opportunities should be liaising with Marcus (VP Communications) to post on the PhUS page and other appropriate pages, rather than posting in year-specific groups.
