Discussions:

1. VP Internal

a. Clubs Fund Application by UBC Pharmacy Geriatrics Club

- i. Infographic for Loneliness in Seniors using information compiled by the club
- ii. Hoping to compile into an infographic to be used as a resource
- iii. Seeking \$50 for 5 hours of graphic design work by Lucy Zhou (PY2) who also made infographics for PEAC's previous projects

b. Clubs Application by Phi Lambda Sigma (UBC Epsilon Nu Chapter)

- i. Club was approved in Summer 2020 on the basis that they met the number of members and had all necessary documents by January 31, 2021. Due to COVID, this was delayed due to their induction ceremony and we have just received everything now.
- ii. PLS will now have status as an official PhUS club

2. VP Academic

a. Update on Zoom Recording for exam invigilation and consent

- i. Students are asked to give consent for their recording to be locally stored, sent to the OETLD, and then removed from the local machine within 30 days, rather than in a Canadian cloud

The PEBC rep who emailed me this Sunday sounded overwhelmed and short-staffed so 4th Year Rep may just let students know to not bombard them for updates- Should be collecting results for grad surveys soon as they just closed last week
