P (present) | A (absent) | R (regrets) | L (late)

Meeting called to order at 12:02 PM

Approval of Minutes

Moved: Grace Song; Seconded: Marcus Wong

Discussions

1. VP Internal

- a. Clothing options for PhUS council 2021-2022:
 - i. Sahib J (AVP Internal):
 1. \$1000 available for clothing via PhUS funds.
 2. PhUS will cover \$33/council member. (\$1000 distributed evenly amongst 30 council members)
 3. Marcus W (VP Internal): We will only be ordering one type of hoodie for all members (price decrease with bulk order).
 4. 2 options for hoodies:
 - a. Champion Reverse Weave (\$63/piece)
 - i. Each council member has to pay an extra \$30.
 - b. Champion Double Dry (~\$38.50/piece)
 - i. Each council member has to pay an extra \$5.50-\$10.
 5. Logo:
 - a. PhUS logo on the upper left side of the hoodie.
 6. Color:
 - a. Considering black but open to suggestions from the council.
 - b. Lilyan J (VP Academic): Black was the chosen color for previous year's clothing so it would be nice to go with a different color (ie. white).
 - i. Sahib J (AVP Internal):
 1. A white colored hoodie isn't available, but there are other options. I can share links to the two types of hoodies and colors available.
 2. I can set up a poll to determine which hoodie type/color the council members prefer.
 7. Marcus W (VP Internal): Is everyone okay with paying \$30-\$33 out of pocket?
 - a. Council members can contact Marcus or Sahib if they have questions or concerns.
- b. Question for faculty: What is the status of in-person events post interim period (Now till February 7, 2022)?
 - i. Dr. Jarvis-Selinger:
 1. Current ministry guidelines don't allow for any social events until February 16. We received guidelines for post-secondary education, however we have yet to receive an update from UBC safety and risks services (Last update: early January - no social gatherings allowed outside of educational events). There are some questions we need answered such as the difference between "social gatherings"

and “social events” before we can answer questions regarding in-person activities.

- ii. Marcus W: What is the status of study spaces?
 1. Dr. Jarvis-Selinger: Study spaces will be available because it is considered an educational event connected to the academic program. We need to determine how the new guidelines will affect that.
- iii. Dr. Jarvis-Selinger - General updates from the university guidelines:
 1. Masks:
 - a. University will be sourcing level 3 masks (ASTM Level 3 Medical Grade - Single use) to each of the faculties. We are in the process of determining the number of masks we will require for faculty, staff, and students. We will provide a detailed update on distribution at a later date.
 - b. If students require N95/higher level masks then they are to bring their own.
 - c. Grace L (VP External): AMS Health and Dental Plan is ordering KN94 masks for UBC students. They will be available on a first come first served basis, at the Nest.
 - i. Dr. Jarvis-Selinger: We need more information on how many times N95 masks can be used - ministry is suggesting 5 times.
 2. Vaccines:
 - a. All healthcare students and faculty members are mandated to be doubly vaccinated (declaration needed); all faculties are handling the vaccination tracking separately.
 3. Daily health checks (COVID-19 Self-assessment):
 - a. They are not being tracked but we are expecting that anyone entering the Pharm Sci building would have completed the assessment prior to entering the premises.
 4. Movement and flow through building:
 - a. It is not being controlled in the building anymore (as per latest public order). We do not need to enforce directional flows.
 5. Cleaning:
 - a. Regular cleaning is performed on a daily basis at the end of the day in each of the classrooms.
 6. Classrooms capacity:
 - a. Latest public health order does not put any restriction on the size of class. (Full capacity - OK)
 7. Contact tracing:
 - a. University and BC are not doing contact tracing anymore. Without contact tracing, we cannot send out notifications for potential exposures.
 - b. It will be up to the individual to let their close contacts know about exposures. Not in the documentation but will be left to the discretion of the individual.
 8. Non-educational gatherings:
 - a. Will follow-up this week to get some clarity on that.

- iv. Marcus W (VP Internal): When can club meetings start taking place in-person? Should I start re-booking rooms or should I wait until we hear back?
 - 1. Dr. Jarvis-Selinger:
 - a. There is an Associate Dean - Academic meeting tomorrow which will provide some clarity on university interpretation of the guidelines. Might take till the end of this week to understand the full situation.
 - b. University COVID-19 guidelines (website) should get updated soon.

Round Table:

Faculty	<ul style="list-style-type: none"> - Dr. Seto: <ul style="list-style-type: none"> - I pushed out an email to each year to provide information on capacity limitations in classrooms. - In the interim period (February 7 - Reading Break Week), we are not required to limit capacity but we are working towards increasing room spaces to accommodate students. We will try to space the students out as much as possible.
President	<ul style="list-style-type: none"> - In the next 2-3 weeks, elections will take place for next year's council. - Election committee for first slate elections will be: Current President, VP Communication, and another exec -> looking for another exec (preferably PY3) - VP Communication is planning the AGM (Location: TBD) - Election committee for second slate election: Current VP Internal + 2 execs (Preferably PY2); (End of March - PY4 Reps, 2024 Grad Reps) - Let Jeremy know if interested
